SUMMARY

I'm currently pursuing my MSc in Information Technology and specialize in Flutter app development. I enjoy building responsive, user-friendly mobile applications. I'm eager to contribute to impactful projects and grow through entry-level opportunities.

EDUCATION

Shree Ramkrishna Institute of Applied Sciences   Surat, Gujarat

Bachelor of Information Technology   2022 – 2025

Final CGPA: 8.89

EXPERIENCE

Flutter Developer Intern

Toshal Infotech Pvt. Ltd. – Surat   Nov 2024 – May 2025

SKILLS

Dart	RESTful APIs
State Management - GetX, Provider	Reusable Widgets
Firebase	Basics of Java

PROJECTS

JobXpert – Job Portal Mobile Application

Flutter, GetX, Firebase, Node.js API

- Built a responsive mobile job portal app using **Flutter** and **GetX** for efficient state management.
- Used **Firebase** for real-time database integration and **Node.js APIs** for email verification.
- Created reusable widgets and structured user classes to ensure clean and scalable code.
- Focused on delivering a smooth user experience with a clean, intuitive UI design.

CERTIFICATION

Flutter Developer Certification

ABC Computer Education   August 2024
